PROFESSIONAL REFORMERS BELIEVE GITTINS BILLS WILL BE ENACTED INTO LAW.

Measures for Relief of Racing Take Place on Senat Calendar at Albany for Third Reading-

Tentative Plans for Racing.

Albany, N. Y., June 12.—The Gittins bills to amend the directors' liability law and to define bookmaking have been referred to the committee of the whole of the Senate and will come up on the calendar this week for third reading. The professional reformers who were instrumental in the passage of the repressionary legislation against racing in this state during the past few years now recognize that their efforts may be negatived and that racing is likely to be re-established on the metropolitan courses. Canon W. S. Chase, one of the foremost of them, is quoted as of the opinion that some strong political power was employed to force the Gittins bills out of committee and he charges that the leaders of both great political parties are lebbying in behalf of the bills. He believes that a definite pledge has been given the race track owners and hotel men of the state that racing will be restored and that herculean efforts will be made to crush any opposition that may develop to the passage of the relief measures. He adds that the belief is general that Governor Dix will sign the Gittins bills if they pass.

New York, June 12.—Already there is speculation as to the racing schedule that will be adopted in the event of the passage of the Gittins bills. If the bills become law in time to permit such an arrangement there may be a meeting at Belmont Park for twelve days ending July 4. After that, according to the plans tentatively arranged. Empire City and Brighton Beach jointly will conduct a meeting at Yonkers until the first week in August. Then will follow the usual session at Saratoga, lasting until September 1, a stretch of at least twenty-four days. The local fall campaign will begin at Sheepshead Bay with the running of the Futurity about September 2, after which Gravesend, Belmont Park and Aqueduct will operate, maybe with fifteen days each. Nothing has been learned as to the prospect for a meeting at Jamaica, but it is understood that the Metpopolitan Jockey Club will line up with the others when the time comes. It is believed that stakes and purses can be made sufficiently large to attract prominent turfmen now racing elsewhere. If racing is re-established on the moderate basis that the Gittins measures will permit it is predicted that there will be a boom in the breeding industry and that next year will find the sport on a sound business basis, with important turf events such as the Brooklyn, Suburban, Metropolitan and Brighton Handiega Freived on the usual lines.

MADMAN RUNS FAST THREE-QUARTERS

Salt Lake City, Utah, June 12.—Despite intense heat, the best Monday attendance of the meeting was present at Lagoon Park today. Formful racing again prevailed, the success of four favorites and a well backed second choice rewarding the public. A handicap at six furlongs excited the greatest interest and attracted a well balanced field, among which ladman, from the Bedwell stable, found the most favor, going to the post a strongly backed favorite. He fully justified the expectations of his numerous followers by getting off in front and setting a hot pace throughout. Incidentally he lowered the track record to 1:118.

Jockey T. T. Burns was today restored to good standing by Judge Nathanson and leaves tonight for Oklahoma City to ride during the forthcoming meeting there.

ling there.

Irwin Bros. left Sunday for Oklahoma City with the intention of racing in that section of the country. Jockey E. Smith went along to ride for this stable during the summer.

HAMILTON IMPROVEMENTS ARE COMPLETE.

Hamilton, Ont., June 12.—The final work has been completed on the new betting shed at the Hamilton Jockey Club's track. It represents a vast improvement, \$30,000 having been expended by the club in order to give the public and the bookmakers more pretentious and comfortable quarters. The betting shed is 160 feet long and sixty feet wide and will afford ample accommodation for fifty bookmakers and give the public plenty of space. The club has also expended a large amount of money in otherwise beautifying the grounds. Complete arrangements have been made for the reception of the borsemen and everything indicates that Hamilton will have the banner meeting of its history. The pari-mutuels will not be in use during this meeting. It is expected that thirty layers will be in line on opening day.

CORRECTION OF TIME.

The time in race 96212, won by Carrillon at Montreal, Saturday, was 1:135, instead of 1:155, as previously printed.

TWENTY LEADING AMERICAN SIRES OF 1911

The end of the month of May found the splendid racer and successful sire, Hamburg, in possession of first place among our sires of the present year. Pressing him close was that great begetter of precocious speed, Cesarion, and Star Shoot was not far away in third place. Then close together in values won came in order Sain, Garry Herrmann, Hastings, Plaudit, Yankee and Voter, in fact, there is no great margin between the first and last of the twenty leaders. The sums to their credit and their contributing progeny are as follows:

STINGER BEATS HOUSEMAID

HANDICAP AT LATONIA GOES TO HORSE THAT RACED POORLY AT LOUISVILLE.

James McManus Scores Double with Star O'Ryan and Presumption, Latter Being Only Favor-

ite to Make Good.

Cincinnati, O., June 10.—By far the biggest crowd that has been seen at Latonia on any Monday in many years witnessed the racing this afternoon. Compared to the crowd on Derby day today's gathering was, of course, small, but made up in enthusiasm what was lacking in numbers. All the winners were vociferously cheered and the fact that five pronounced favorites suffered defeat did not affect the majority of the spectators for they played around the first choices. The big operators, however, lost heavily. The card was an ordinary one and, while speculation was naturally light, it showed twenty-five per cent. increase over last season's corresponding day of the meeting. One lone purse of the six was won by what one could term a locally owned horse. This was Camellia, which runs in the name of A. P. Humphrey, Jr., of Louisville. Incidentally in graduating from the maiden ranks this filly won as easily as any of the other successful ones.

The main upset attended the running of the handicap, which brought together some useful sprinters, including Housemaid. The latter in her first effort this season at Louisville showed what good judges considered the same form that characterized her successful two-year-old racing, and naturally she was thought to hold her opposition safe today. She flattered her backers by disposing of the speedy Golden Egg in the first quarter and appeared a certain winner until rounding into the stretch, where Stingercame with a rush to beat her handly mear the end. Stinger's showing was in marked contrast to his preceding effort at Churchill Downs.

James McManus scored a double during the afternoon with Star O'Ryan and Presumption, and, according to report, made a sensational cleanup by their victories. Star O'Ryan, in wearing down Delaney, showed form that was much superior to his Louisville essays, while Presumption was much the best and won as his rider pleased.

The closing dash was costly to the followers of the J. B. Respess stable, who were willing to accept a short price against Impruden

wrong during the afternoon, Gold Cap beating him with ease.

Following Governor Gray's Latonia Derby victory Capt. J. T. Williams was served with a notice of attachment in a suit to recover \$1,489, with interest at 6 per cent. from 1908, brought by Caruthers Ewing of Memphis, Tennessee. John Hachmeister, general manager of the Latonia track, was served with notice to withhold payment of the Derby stakes until the case is settled. Captain Williams was also made defendant in a suit in the Kenton Quarterly Court by G. Bishop, who alleges that Williams is indebted to him for \$100 on a promissory note. Captain Williams, in discussing the affair, said: "Caruthers Ewing claims the amount of the judgment for having defended me, in a suit against Murray Keller a long while back. I paid Mr. Ewing \$1,100 for his services and I contend that is all that is due him." Manager Hachmeister will hold \$2,000 to cover the judgment, interest and court costs in the case and will turn the remainder of the Derby Stakes over to R. N. Smith & Co., in whose name and colors Governor Gray runs.

Dr. M. M. Leach, paddock and patrol judge, was unable to officiate today on account of filness.

Limousine, which started in the fifth race, crashed in to the fence opposite the grandstand while on her way to the post and gave jockey Walcott a nasity tumble. He remounted, however, showing no ill effects.

ill effects.

Baccarra, which started in the third race, returned to the finish with a badly bruised shoulder, incurred during the running in some unexplained way.

Jockey Steele was the first to suffer discipline at the hands of the starter and was suspended for five days for bad behavior at the post.

American Girl's injuries, sustained Saturday, consists of a severed tendon on the left hind leg. An effort will be made to save her for breeding purposes.

enort will be made to save her for breeding purposes.

William Gerst was among today's visitors, having come-from his home in Nashville to look over the horses he has racing here.

According to W. J. Young, who is training Waldo that colt is again going soundly and will be raced shortly.

C. D. Chenault brought Milton B. and others from Lexington. Sarah Chenault, which fell on the closing day at Lexington, was among the starters in the first race today.

According to well-informed easterners here the Gittins bills will come before the senate tonight. Most of the eastern horsemen here are optimistic that the bills will pass and are planning a return to Saratoga immediately after the close of racing at Latonia.

John Hogan, formerly assistant to Jake Holtman.

to Safatoga immediately after the close of racing at Latonia.

John Hogan, formerly assistant to Jake Holtman, was among today's visitors and tried to interest horsemen in shipping to Chicago for the two-days meeting to be held at Hawthorne Park under the auspices of a Letter Carrier's Association. He announced that the purses would range from \$250 to \$700, the latter sum being for handicaps. There will be seven races daily. Mr. Hogan will return to Chicago tonight and will return later. He secured a list of seventy-five horses for shipment.

The throw-out list numbers thirty-six for the three days. These horses will take precedence at the next time of entry. Most of them are two-year-olds.

olds.

L. Blum, the Mexican horse dealer, was among today's arrivals and will try to purchase a number of horses to send to Mexico.

Jockey Estep, who has been riding on the Canadian circuit, has arrived here. He is under contract to George Sherman and will ride at Latonia during the remainder of the meeting.

WHITNEY SUCCESSES IN ENGLAND.

Up to the Manchester meeting of last week H. P. Up to the Manchester meeting of last week H. P. Whitney's horses had been by no means so successful in England as they were last year. At this meeting the stable scored its first considerable victory of the year when Whisk Broom won the \$5,000 Salford Borough Handleap at three-quarters of a mile. He carried 121 pounds. Mr. Dunne's Irish colt. Great Surprise, 92 pounds, was second and Sir W. Cook's filly. Grey Spinner, 86 pounds, finished third. At the same meeting Whitney's Hamburg—Jinks two-year-old gelding won a selling plate, while his three-year-old Hardyburg ran a dead heat with Kineaid Smith's Wedgewood for the Pendleton Maiden Plate. Allogether the stable did very well at Manchester, but bardly enough to atone for the severe disappointment occasioned by the failure of Bashti to train sufficiently well to enable her to start in the Oaks, Whitney's reputed best two-year-olds liave not started and may be out this week in some of the rich stakes at Ascot.

The thoroughbred mare, Georgie M., dam of Gilray, Georgia, Rush Field, Leaseman, Derby, South America and other winners, is reported dead at the farm of Charles Bros., her breeders and owners, at Encin al. Tex. Eugene Elrod was at Latonia Saturday and as-sisted in the supervision of the pari-mutuels. He expects to be fully recovered in a short while and will then take up the active management of the department.

THIRTY LEADING AMERICAN JOCKEYS.

T. Koerner maintains a comfortable lead over T. Rice in the contest for the honors of 1911 among American jockeys. McCahey, who is third, made a slight gain on the two leaders last week. All three of these boys, as well as J. Glass, who is fourth, are riding at Latonia. The record of the thirty leaders from January 1 to and including the racing of Saturday last, follows:

GOULD SECOND IN FRENCH DERBY.

Paris, France, June 12.—The Prix du Jockey Club, which is known as the French Derby, was won yesterday over the Chantilly course by Baron de Rothschild's Alcantara II., a bay colt by Perth, Frank Gould's bay colt. Combourg, finished second and S. O. Joel's Cavallo third.

The French Derby is for three-year-olds at one and one-half miles. The value of the stake this year was \$40,400. Alcantara II. was the public favorite in the betting. He went to the front at the start and held the lead throughout, winning easily by six lengths.

Immense throngs turned out to witness the running of the stake, and the brilliant sunshine showed to advantage the gaily colored toilets, which added picturesqueness to the scene in the paddock. All the social world of Paris and many Americans were present. Special interest centered in the reappearance of Baron Maurice de Rothschild's great colt, Faucheur, which, after sweeping all before him, has been ineapacitated during the last two months with a strained tendon. He had been given special treatment, but his trial gallop prior to the running of the Derby revealed that he had little chance.

ANSWERS TO QUERIES.

J. H. P., Chicago. Wheelwright was well backed to show.

Sam McL., Buffalo, N. Y. The place bet on Bill Lamb was a draw, there being no separate place price against him.

Fred H., Chicago. The bet lost. To win all or any part of it the horse would have had to run first, second or third. E. A. R., Indianapolis, Ind. Sir Blaise was not one of an entry but was one of the three grouped or coupled as the field. The bet lost.

T. A., Chicago. There is no such thing as a world's record in racing. The American record at a mile and a half is 2:30\;\text{h}, made by Goodrich at Washington Park, July 16, 1898.}

T. D. R., Milwaukee, Wis. The Milwaukee Derby was won by Buck Massie in 1895 and by Prince Lief in 1896. Tom Sayre won several selling races at the meeting of 1895, but nothing else.

RULING DEFINITELY EXEMPTS RACE HORSES.

Washington, D. C., June 12.—Racing of American-bred horses in Canada or Europe will not be affected by the customs court's ruling imposing a duty on all domestic animals when they are returned to this country. Horses which go to Canadian tracks or Mexico, France or England to race, will be classed as animals for exhibition and may be readmitted free from duty.
